## **The Committee for the Advancement of Role-Playing Games**

Hi [NAME]!

I'd like to formally invite you to join me as a member of the Committee for the Advancement of Role-Playing Games (CAR-PGA). We're an international network of researchers into all aspects of role-playing games. Our mandate is to advocate for and educate the public about role-playing games and thanks to your background and expertise I thought you'd be a great candidate to join.

To learn more, visit our web site at <http://car-pga.org>. If you're interested in formally joining us, please fill out an application at <https://car-pga.org/join-us>. It only takes a few minutes. Completing the application will give you full voting rights and add you to our monthly newsletter. We're planning on quarterly virtual sessions where we host guest panels to discuss the latest developments in tabletop gaming.

Even if you're not interested in joining right now, I hope you'll follow us on Facebook at <http://www.facebook.com/carpga> and keep in touch.

Thanks for your consideration!

Sincerely,
